You Know, For Kids

**The Bazillions** are the creation of Twin Cities parents, educators, and singer/songwriters, Adam and Kristin Marshall. Following up on the success of their debut album, *Rock-n-Roll Recess*, Adam and Kristin set out to write an album that would be an even split between more directly educational songs and a new batch of Bazillions timeless tunes from a day in the life of a kid. They put their creative musical brains together, and the result is the sparkling *Heads or Tales*.

Whether the coin toss lands on "heads" (Silent e, Similes and Metaphors, Triangular Triangles) or "tales" (Candy Garden, Out of The Box, Front Seat) you and your child's ears are in for a treat. Skillful songwriting, fun and clever lyrics, rich vocal harmonies, and rocking guitars will make you wonder how you ever thought learning about perimeter and area could be anything but a blast! Raise your hands in the air and dance like a scalene triangle!

*Heads or Tales* marks the Bazillions' rockin' return to the classroom and the playground! Pick up your copy today at [www.thebazillions.com](http://www.thebazillions.com).
